USER STORY

AS AN **BOOTCAMP STUDENT** with access to Bootcamp hub Website

I **WANT** to access a useful website that meets criteria for different skills, where I can **ACCESS** updated date, time and weather report and **APPLY** for upcoming job ventures.

In addition, **SUPPLYING** me with useful resources and **PROVIDING** me with quick link access to them if needed. As well as **ALLOWING** me to develop a personal to-do-list in order to keep on track and on top of my work and opportunity to **ACCESS** other fun activities such as games and/or cheat sheets that I find to be beneficial to my learning.

SO I **CAN** stay organised with my work, progressing me further with my course and helping me stay on track to becoming **SUCCESSFUL**.
